Southern Living highlighted several Chattanooga businesses in a recent travel guide section.

Warehouse Row, Brash Coffee, The Flying Squirrel and Urban Stack are several of the local businesses that Deputy Editor Erin Shaw Street highlighted in [this video](#) (<http://www.southernliving.com/travel/south-central/things-to-do-in-chattanooga>).

Brash Coffee also got publicity this week after actors Jon Hamm and Zach Galifianakis stopped by the business. Click [here \(/170222/jon-hamm-zach-galifianakis-stop-at-brash-coffee/\)](#) to read an update on what's going on at Brash.

Southern Living is one of many major publications to feature Chattanooga recently.

This week, [Time.com \(/170253/chattanooga-makes-timecom-list-of-best-places-to-retire/\)](#) ranked the city as a top retirement location.

Last month, Outside Magazine named the Scenic City Best Town Ever. Click [here \(/170152/chattanooga-outside-magazines-best-town-ever/\)](#) for more about that.

And earlier this year, Business Insider [listed \(/169515/business-insider-thinks-chattanooga-is-cool/\)](#) Chattanooga one of the 20 coolest cities in the United States.
